

eco-smart®

Biodegradable* Bakery Packs

EcoSmart® Biodegradable* Bakery Range is designed to maximise shelf appeal and inspire impulse buying. The family of containers provides a strong, clear and functional solution for showcasing a variety of baked goods.

This family of products is made from recyclable P.E.T. and features the Eco-Smart® biodegrading* additive creating an environmentally conscious packaging solution.

Biodegradable* in a modern landfill
to ASTM D5511 standards

Recyclable P.E.T.

High clarity for excellent presentation

Ribbed construction for added strength

Combo-Pak® includes clear lids and black bases in the same carton

Australian made in HACCP accredited facilities

Designed to fit
BAKELS
pastry shells

*Eco-Smart® polypropylene cups have been shown to biodegrade 10.8% after 164 days; Eco-Smart® lids, plates & bowls have been shown to biodegrade 24% after 216 days; Eco-Smart® Foam cups have been shown to biodegrade 28.85% after 80 days, under conditions that simulate a wetter biologically active landfill, using the ASTM D 5511 standard test. Note that a stated rate of degradation does not mean the product will continue to decompose. Testing continues on all Eco-Smart® products to track the rate of biodegradation. All data will be made available on our website: www.castawayfoodpackaging.com.au
