

Enviroboard[®]

clams, plates & bowls

The Enviroboard[®] range offers a biodegradable solution for your catering and take-away requirements.

Enviroboard[®] is made with 100% natural sugarcane fibre to create a product that benefits from a cleaner life cycle. The use of sugarcane as a renewable resource, and the ability to biodegrade, offers an attractive solution for any business looking to reduce their environmental impact.

Made from 100% natural sugarcane fibre

Biodegrades withing 45 days in a modern landfill

Microwavable

Freezer Safe

Heat resistant to 150°

PRF0055
